He Favors Statute Amendments to Make the P. S. C. More Forceful.

AFFIDAVITS ON FIRE

bis stewardship.

ble has been a pretty consistent minority physician of the Czar's court. member in many matters before the love for her. She said that he was jealous and that he became crazed with prised when he insisted, while Mr. Hay- the thought that the time might come ward raked the commission's record, when his wife would cease to love him. hat he had always done as much as man could to make the corpora-

a deficit of nearly \$785,000 in a year and five months of operation. He said this did not prove that the whole system will not pay, but he believed that his judgment in fighting the dual contracts and his final vote against them were partly vindicated.

Mr. Perkins refused to comment on the action of the Grand Jury. He said that he had presented all the evidence available.

When Coroner Riordan heard that the Grand Jury had refused to indict the Interborough directors he said:

"I am very glad for the sake of the

were partly vindicated.

Mr. Maltbie, cool and wary, went to the stand after Mr. Hayward had introduced the affidavits of five members of the Times Square drilling gang in of the contention that the puncture of the content of th ture of a conduit at that point caused the smoke catastrophe in the subway on the morning of January 6.

Law Changes Suggested.

Mr. Hayward began at once to get Maltbie's views on whether the risdiction of the commission should be enlarged. The witness replied that if the law were to be changed it might

plied by reading a report of the opera-tion of the Centre street loop by the pany (B. R. T.) from August 4, 1913, to December 31, 1914. The operating deflett was \$264,603 and the interest on the city sinking fund \$519,602. "The total deficit to the city and

company," Mr. Malthie said, "was nearly \$785,000, or at the rate of almost \$550,000 a year."

Cost \$1,000 a Day. "How did the commission happen to

allow the Bradley Contracting Company to get \$1,000 a day for digging the to get \$1,000 a day for digging the Lexington avenue subway below Fortysecond street, when your engineers had reported that the work, which was later abandoned, ought to be stopped?" asked

that orders were enforced, that when Mr. Maltide pronounced conditions bad Mr. Eustis sometimes disagreed with him and that in December last Mr. Maltide recommendations and the boy was an exemplar voung man between the before. His son led his class, it is closed money. For the recovery of interest, taxes, insurance and other money player. Dr. Julius Metzger, the f mily physiciam, said the boy was an exemplar voung man

In a report of the Grand Jury filed fused. Sessions the directors of the Interborough Rapid Transit Company were exonerated from criminal liability for the
accident on the Eighth avenue elevated
railroad on December 9 last. Two persons were killed and a Coroner's jury
held the directors for the Grand Jury.
Coroner Patrick Riordan, who handled
the case, came in for much criticism and
charges are now pending against him
before Cov. Whitman.

In all twenty-five witnesses were
